ASHOK ACADEMY

SCAN ME & GO GREEN

(11th & 12th) Science
CET / JEE / NEET

Director's Message

Education is not only the right but the duty of every individual. The best gift from a father to his child is education and upbringing. Ashok Academy is providing best service and quality education to all science aspirants. Ashok Academy is purposefully established for the above said reasons. It's better to seek out cause of things. Knowledge of science helps us to find out the reason behind cause of things. Making foundation knowledge strong and providing science education at plus two levels is the main service of Ashok Academy. We prepare students for different competitive examinations based on plus two level like JEE, NEET, MHT-CET etc. We help science aspirants at par excellence level to provide best quality education with scientific environment that helps them to qualify and score better marks in different entrance examinations. Our 100s of students have qualified and scored better marks in JEE, NEET, MHT-CET etc examinations. Most of them have secured seats in government colleges and in various prestigious institutes for engineering, medicine, pharmacy etc. Our disciplined environment makes them most sincere for their bright future and career. Ashok Academy helps students not only to make their future bright but also make them able to play a constructive role for society and welfare of human beings. We thank you for reposing trust in us. Best Wishes.

Professor Ashok Panchal
